Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

We have a leaking roof in the gym, and many classrooms who are having water dripping through the ceilings, due to our rainfall, especially during the monsoon time. This has caused problems in our gym, on the floor and the ceiling. The floor is starting to buckle.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
